

GUEST PARKING: PARKING FOR ATTENDEES WILL BE DIRECTLY IN FRONT OF HANGAR 10. ENTER THE LOT OFF WOLF ROAD, SIGNS AND VOLUNTEERS WILL FURTHER ASSIST. OVERFLOW PARKING WILL BE AVAILABLE WEST OF WOLF ROAD ON LARKIN DRIVE IN THE AIRCRAFT PROPELLER BUSINESS PARKING LOT AND ALSO ON THE SOUTH SIDE OF LARKIN DRIVE.

The image is an aerial photograph of an airport facility. A central runway and taxiway run vertically through the middle. To the left of the runway, there are several hangars and buildings. To the right, there are more hangars and a large paved area. Three colored rectangles are overlaid on the map: a green one at the top left, a yellow one at the bottom center, and a red one at the bottom left. Lines connect these rectangles to text labels. The green rectangle is labeled 'GUEST PARKING', the yellow one is labeled 'ACE EVENT: HANGAR 10', and the red one is labeled 'EXHIBITOR PARKING'. The 'EXHIBITOR PARKING' label is enclosed in a red-bordered box.
